## PRACTICAL PROTECTION AGAINST THE UNEXPECTED

Unexpected breakdowns to a heating and cooling system can happen, and the cost of professional repairs can sometimes be a significant financial setback.

An HVAC service agreement helps protect you and your budget from unplanned repair expenses while ensuring your comfort and peace of mind.

With 5/10/12/15/20 year term options as well as valuable additional coverages to choose from, protecting your investment has never been easier.

## EXPERT TECHNICIANS, RELIABLE REPAIRS

Even a well-maintained HVAC system can sometimes require repair. When it happens, you want to be sure you have access to skilled technicians who provide quality workmanship.

Your HVAC Service Agreement covers the services of highly trained professionals from the trusted HVAC Contractor who provided your agreement.

### Coverage options:

- ✓ Labor expenses for repairing or replacing compromised covered components.
- ✓ Parts and labor costs for the servicing or substitution of damaged covered parts.

## ADDITIONAL ADD-ONS

Valuable additional add-ons extend your service agreement benefits even further, with applicable surcharges, to cover labor costs associated with repairs to:

- ✓ Water Heater
- ✓ Humidifier/Dehumidifier
- ✓ Air Purifier
- ✓ Bundle & Zoning w/Dampers
